No. 309/11/22/17-356/234/1-2
Dated 24/9/2018

Subject: Regarding procurement of urine testing kits for OOAT Clinics and
Dope test

It has come to the notice of the authorities that urine testing kits required for implementation of treatment protocol in OOAT Clinics are not available in apt quantity in most of the districts. The Punjab Health Systems Corporation is in the process of finalizing rate contract for procurement of Urine test kits. Till the Finalization of Rate contract by the Government, District authorities may procure the requisite number of urine test kits at local level by adopting adequate protocol for local purchase with necessary approval from Deputy Commissioner cum chairman of the district de-addiction and rehabilitation society.
