dated 26.08.16

To

All Civil Surgeons.
In the State of Punjab

Subject: Implementation and monitoring of Bio Medical Waste Rules, 2016.

This is for your attention towards the newly notified Bio-medical Waste Management Rules, 2016 by MoEF and also by PPCB superseding the previous Bio-Medical Waste (Management & handling) Rules, 1998.

As it is a matter of implementation of Act. so all the Civil Surgeons should be personally involved in guiding the directions of New Rules of BMW Rules, 2016. These rules are applicable to all hospitals including AYUSH centres generating, collecting, receiving, storing, transporting, treating, disposing and handling it to CBWTF.

The new rules also need attention during health camps, medical or surgical camps, vaccination camps, blood donation camps. Wherever any such camps are organized under your jurisdiction, it should be done with prior intimation to Punjab Pollution Control Board.
